Our Core Values

All persons with disabilities deserve...

• Respect for their needs, preferences, and decisions.
• Access to any technology.
• Education and employment without barriers.
• A rewarding learning experience.

EmpowerTech believes in...

• Innovating to provide opportunities for students, staff, and our community.
• Collaborating with students to develop its programs.
• Fostering and encouraging lifelong learning.
• Networking to stay up to date on technology.
• Accommodating each person's disability to allow access to technology.
• Integrity in the service it provides.
